

# HOMESCHOOL

A SIMPLE CHECKLIST  
TO GET YOUR  
HOMESCHOOL YEAR  
OFF TO A GREAT START

## START THE YEAR CHECKLIST

|  |  |   |   |   |
|--|--|---|---|---|
| research and find best curriculum option for you | collect supplies you want to have on hand                    | get or make a homeschool planner                        | purchase, print, or otherwise collect your curriculum | make a curriculum or lesson plan for the year                               |
| start a homeschool mom mourning routine          | measure kids on wall   | start a good morning routine that works for your family | start a new school year tradition                     | have a family sit down and let everyone talk about school year expectations |
| take a start of school field trip                | take fun first day of school pictures                        | have kid(s) make new school year goals                  | Make parent or teacher goals for yourself             | have kids write about themselves for start of a new year                    |
| pick out good books as read alouds               | take a nature walk and have kids journal about what they see | calm down if your feeling stressed                      | ease into curriculum with little steps at a time      | evaluate your schedule or routines see if a change is needed                |

*instructions...*

Print out this checklist and put a sticker a check or a big fat X across it when done, or if it does not apply for you. Then know you have a plan in place that is easy to follow when you are doubting yourself!
